We take an honest pride in our clothing reputation.

Would we jeopardize it by selling inferior hats?

Would we jeopardize our reputation for printing the precise facts about clothing, by telling false news about hats?

Absurd on its face,

\$3 will buy as good a hat as we know how to buy, as good as you can buy anywhere for any price.

### WESTCHESTER COUNTY.

MOUNT VERNON.

The women of the Church of Our Lady of Victory have just closed a fair in aid of a fund to build a lyceum. Many other improvements will be made on the church and rectory. Since the Rev. M. J. Reinhart was appointed rector the affairs of the church have shown great improvement.

Reinhart was appointed rector the affairs of the church have shown great improvement.

The annual inspection and parade of the Mount Vernon Fire Department to-morrow night is expected to be a brilliant affair. Several of the companies will appear in their new uniforms, and the apparatus will be decorated. The parade will start at 5 o'clock, and will be reviewed by the Mayor, Fire Commissioners, Common Council and other city officials, and after it is over there will probably be some interesting speed contests and dinners in the houses of the companies.

The buyele clubs and the committees of the Labor Day parade will have a public presentation of the sourceirs at the armory on Monday night. The affair will be celebrated by a dinner and speeches by well-known citzens.

Richard Dunton, twenty-eight years old, a painter, of Jafferson-st., Yonkers employed on the Mount Vernon High School Building, while painting the gutter of the roof, at it o'clock this morning, lost his balance and fell sixty feet. He struck on his head and shoulders, and was taken to the hospital. It was first supposed that he was dead, but he afterward revived, having received only scalp would send to the considered miraculous.

### YONKERS.

Mayor Peene was unable to be at the meeting of the Common Council on Monday night, so Alderman Charles E. Skinner, president of the Board of Aldermen, presided. The Mayor left with the City Clerk three communications to be presented at the meeting. The first was the nomination of Henry B. Archer as Receiver of Taxes, to succeed himself, and Mr. Archer was promptly confirmed. He has held the place for many years, and, although a Republican, has served under a number of Democratic Mayors. The other nominitions did not fare so well. Heary R. Hicks, whose term as Police Commissioner expired May 1. 1896, and who has been holding over, was nominated to succeed himself, and Francis P. Treanor was placed in nomination in place of Hall B. Waring, whose term expired in May of this year. Alderman Houston objected to a vote being taken at the meeting on the confirmation, so it was laid over under the rule. The third nomination presented was that of M. F. Mitchell for assessor, to succeed himself. Alderman Southwick objected, so this nomination also had to go over till the next meeting.

An unknown man, about thirty-five years old, died in St. John's Riverside Hospital yesterday afternoon from injuries received by being struck by a train. At an early hour yesterday morning Conductor Funk, of a northbound freight, found the man severely injured near Ashburton-ave. There was nothing about his clothes whereby he might be identified.

Simon Stroh, driver of the chemical engine, and George Kelly, who was with him on the seat, had a marrow escape from being injured while responding to a fire alarm late on Monday night. In driving down South Broadway the horses started to turn into Prospect-st. Stroh tried to swing them back into the road, but falled, and the engine crashed into a saloon at the corner, smashing the plate-giass window. Kelly was thrown from his seat, but escaped without injury. The fire destroyed the fertilizer plant of William Jones, in McLean-ave., and the loss is estimated at about 10,000.
